Never Forgotten Honor Flight

Join our mission to fly veterans to Washington DC to visit the memorials that stand in their honor

Many veterans are unable to undertake a trip like this on their own. We honor them by providing this trip to visit their memorial at no cost to the veterans.

The flight, deluxe tour bus service, shirts, meals and other amenities are provided FREE to the veterans. We also provide trained, volunteer "guardians" to accompany the veterans on the aircraft and at the memorials.

The Honor Flight Network has safely transported thousands of veterans from all across the United States. Top priority is given to America's most senior veterans—survivors of WWII—and to any veterans with a terminal illness who wish to visit their memorials. To assist disable veterans, we provide oxygen and wheelchairs.
